Vice President of Diversity, Equity and Inclusion - **Cami Basit:** ucfpandei@gmail.com

- Happy first pan!
- Liaison applications will be posted soon.
 - What is a liaison: Liaisons help facilitate communication between pan and the other councils.

- Duties: attend pan meetings and the meetings of your respective council, take notes about important events and initiatives, report back to Cami, speak at Pan, and do your best to attend the other council's events.
- How many positions: 2 IFC, 2 DGC, 2 NPHC (currently listed)
- Be on the lookout for the form; I will contact select people for an interview
- There's so much that I could say but I will keep it short:
 - I am so proud of this community and how far we've come. Sometimes we can get fixated on the setbacks, but it is important to look at the full picture.
 - On that same note, please offer grace and understanding to those who may not have the same perspective as you, or are adjusting to the campus culture here.
 - It's easy to have preconceived notions about who someone might be based on their hometown, beliefs, or political affiliation, but do your best to suspend your judgment. Creating an inclusive community means allowing space for diverse perspectives and beliefs, even if they don't align with yours. Not everyone can be your best friend, but we are all peers and must respect one another.
- Here for you when you need it! I'm usually at OFSL or the library. Just email or text!
