- This month is National Endometriosis Awareness Month for women so I wanted to give a fact about how this affects all women today.

- Bringing awareness to this is so important in order to ensure effective prevention, early diagnosis, and improved management of the disease.
- Also, happy early International Women's Day!! This is such an important day celebrating all the social, economic, cultural, and political achievements of women! I am so thankful I get to work with these women everyday and that we always support each other no matter what! So make sure you are celebrating all the amazing women in your lives!
- With spring break being next week, I wanted to let you guys know that it's important to have fun and stay safe during this time. It's important to remember we are representing an entire community no matter where we are and we want to make the best choices that will impact everyone positively. With that being said, I hope everyone has a happy spring break!

- There is also a **Safe Knight Week: Spring Break Safety from 11:00 am -2:00pm tomorrow in DPAC room 106 on UCF's downtown campus.** This is all about how to

be safe and have fun during spring break! PAN DEL's if you want to let your Risk Chairs know about this so they could go and possibly relay this information back to your chapters, that would be amazing!

- Does anyone have any questions?
- That's it from me, have a safe week!

### **Alpha Delta Pi- Maddison Rametta**

- Happy Pan Wednesday ladies, thank you to Chi O for hosting!
- We had such a great time finishing strong for both Sigma Chi and Theta's philanthropy events this past week!
- We are so excited to begin raising money for DZs and AXiDs philanthropies and continue with KDs philanthropy!
- We are so pleased to have finally initiated our new member class this past weekend!
- Our response to the Pan question of the week is: To get Pan more involved with other chapters and councils we would like to see: collaborative community service/volunteering opportunities, events hosted for the purpose of meeting each of the other councils and them meeting us and more opportunities to participate in other council philanthropies being broadcasted by pan on social media/at pan!

### **Alpha Epsilon Phi- Balyn Siegel**

- Hi everyone! Thank you Chi O for hosting.
- Our new members had so much fun at reveal on Saturday finding out who had been spoiling them all week and we are so happy they are in their fams officially!
- We also had so much fun at Southern Hill Farms picking strawberries and sunflowers and tractor rides
- Tonight we are going roller skating and it is Euphoria themed!
- For the question of the week, we had a lot of great responses
- Pan events can be intimidating when you don't know anyone going into it, so getting a "buddy" in another chapter at events or having a pan wide buddy system implemented for general use could be superbeneficial
- Hard to meet people throughout pan so maybe hosting a pan mixer or speed dating for everyone
- Have a great spring break:)

We hope to see you all there!!
- This past Saturday, our sisters had a great time celebrating our big/little reveal at Dave & Busters!
- Yesterday, we had so much fun having a study session with the members of alpha Kappa Delta Phi!
- We are so excited to go on a sisterhood walk this Thursday through the arboretum!
- For the Pan question of the week, we said we should have more social events sponsored by pan, push for more sisterhood pairings, and host more larger pan events that all the chapters can attend!

#### **Delta Delta Delta- Amelia Pellecchia**

- Hi everyone! Thank you Chi O for hosting!
- We loved getting to participate in Sigma Chi's Derby Days and are also excited to start participating in Phi Delt's and Theta Chi's philanthropies along with continuing to practice for KD shakedown!
- We also had our officer inductions on Sunday so all of our officers are newly installed in their new positions and are going to do amazing!

- Tomorrow we have water balloon a DZ from 12pm -2pm! Pls come out and support! :)
- Come support Relay for Life with a bake sale on Memory Mall tomorrow!
- Pan Question:
  1. "At pan events, like speakers, have seating where we sit with other chapters, or have "pan dinners" with bonding activities like we do with our individual chapters."
  2. "More pan events like the study parties"

- 3. " I think it would be cool if there were just more required of pan pairings"
- 4. "Give the chapter access to the events by sharing info (sophia you're doing a good job with this), planning events with different sororities for us to get to know each other more"
- 5. "Host more events where girls are encouraged to go and talk with each other (not studying bc we can't rly do anything other than study) but like brunch dates/potlucks (each sorority can bring stuff) or other activities where everyone can be engaged together"
- Have a great week! :)

### **Kappa Alpha Theta- Grace Golba**

- Hi everyone ! Thank you Chi O for hosting !
- Our new members were initiated this week and are now our sisters !!

- Thank you so much for everyone that came out to our spring Brunch Bash, we raised over \$10,000 !
- We had a lot of fun attending Taco XI and DZ's events this week
- We think that to get more active participation and to build connections there could be more pan pairings even if there were smaller, also ways to meet people at pan (little

activities), and for pan to have events more often where you can meet people instead of sitting in a meeting.

- Daniella and Xely for Pres. and VP, voting closes today
- That's it from me, have a fun and safe spring break !

### **Kappa Delta- Krista Kennedy**

- Thank you Chi O for hosting!
- We had so much fun at our Sisterhood/ Health and wellness event on Friday. We painted succulent pots and wrote down how we plan to better ourselves this semester.
- We also had so much fun yesterday at our car wash to raise money for PCAA, thank you to those who came out!
- We loved attending AXID's Philanthropy event, Taco Xi, yesterday!
- PAN QOTW: Coming together and creating more events towards the pan community entirely could help build better connections. Spending quality time with sisters is the best way to build stronger bonds over time & joint events where we split money raised for our philanthropies
- Have a safe spring break everyone!

### **Kappa Kappa Gamma- Hadley Atchinson**

- Hi everyone! Thank you so much to Chi O for hosting!
- We had an absolute blast on our first social of the semester with FIJI!
- We are preparing for midterms with lots of sisterhood studies hosted by our Academic Excellence Director and Coordinators.
- We are having a pie a kappa tomorrow from 12-2!
- In response to the pan question for this week, an obstacle that we face as a chapter to build connections in the pan community is feeling a lot closer or safer staying within our own chapter and some of our sisters not wanting to get out of their comfort zones to participate in pan. We think that this could be helped through more pan sisterhood bonding events, ideas for events that chapters could participate in together, or more pan activities outside of the normal meeting times for girls who are unable to make it.
- I hope everyone has a great week and a fun and safe spring break!

### **Pi Beta Phi- Hannah Lewis**

- hi everyone! hope everyone has had a great week so far thank you chi o for hosting
- not much from me this week, we had our sisterhood retreat on saturday at andretti which was so much fun

- this week we had a risk workshop to go over some bylaws and teach our sisters how to be safe
- we are super excited for our big little week to start after spring break
- to answer the pan question of the week: a few girls said that offering different days for pan meetings may be helpful so they can get more involved and chapter visits to talk about what circle of sisterhood means to our community so we can get a broader spectrum on how to help out!
- that's all from me, have a fabulous week!

### **Zeta Tau Alpha- Jill Cinco**

- Thank you Chi o for hosting!
- Thank you Chi O for coming to visit us at chapter last week, we are looking forward to participating in your philanthropy events!
- We've been practicing for KD shakedown and we're so excited.
- We also had our sisterhood movie night on Friday which was so fun!
- PAN QOTW: Issues we feel that pan exec can help out with is breaking the stigma towards Greek life by inviting RSO's to our events and bridging the gap between Greek life and other organizations on campus.
