  - Over summer, I'll be fixing those along with other necessary changes.
- I'm having my first 1-1 with Dr. Williams on Friday!
- BOTW: Recruitment Rules, Section 3: Chapter
  - A couple of weeks ago, I introduced my "Bylaw of the Week" initiative.
  - Each week, I will highlight one of our Panhellenic Bylaws or Recruitment Rules to increase awareness and education of our policies.
  - This week's BOTW is from our Recruitment Rules, Section 3: Chapter. It states in

part, “Chapters are not permitted to “Dirty Recruit”...“Dirty Recruiting” refers to any activity not complying with NPC or Panhellenic Council rules and guidelines. The following examples include but are not limited to: hot boxing, slander, giving preferential treatment to a specific prospective member, etc. “Dirty Recruiting” will be adjudicated on a case-by-case basis.”

Vice President of Internal Recruitment- **Brooke Campbell:** [ucfpaninternal@gmail.com](mailto:ucfpaninternal@gmail.com)

- Happy Pan Wednesday!
- I had a great meeting with the recruitment directors and new member educators to discuss bid day on Monday!
  - They will be starting their theme selection and contracts for that soon
- Next time you see your chapter’s recruitment director, give them a high five or something! They are almost done with their hardest recruitment contract they need to complete
  - They work so hard behind the scenes and I am so excited for all of them to show off what they have been working on when we come back for spirit week.
- I am opening a position back up for recruitment team - Head Break Room Chair
  - This position will help facilitate the Potential New Member breakroom during recruitment with another chair. They are able to speak to the Potential New Member’s and provide extra guidance aside from their rho gamma. You would also serve as an exec leader, which means you get to work with a group of rho gammas and knock on the doors during recruitment!
  - If you are interested, the application will open today after Pan, and will close Monday April 18th at 11:59pm!
  - The link to the application can be found in today’s minutes and I will be sending out the application to the pan dels.
    - [Head Break Room Application](#)
  - If you have any questions in regards to what recruitment team is, what they do in an in person recruitment setting, what an exec leader is, or what your specific role in this position would be, please reach out to my email - [ucfpaninternal@gmail.com](mailto:ucfpaninternal@gmail.com)
- 124 days until UCF Day 1 - That’s all from me!

Vice President of External Recruitment- **Kali Rojas:** [ucfpanexternalrecruitment@gmail.com](mailto:ucfpanexternalrecruitment@gmail.com)

- Tabling has been going on both on Memory Mall and outside the Student Union for the past two weeks. This is our last bit of tabling for the semester and the rho gammas are killing it!
- We have over 100 registered Potential New Members!

- I've continued my 1:1 meetings with PNMs and I am using these meetings as an opportunity to see what PNMs want to know most about Panhellenic and about recruitment so I can cater marketing towards what will most affirm the idea that it is something they want to and should join.
- I am having a 1:1 with Dr. Vianca Williams next week that I am so excited for!
- SPREAD THE WORD ABOUT RECRUITMENT!!! I am consistently available to meet with women interested in Panhellenic and they can schedule a meeting with me through email and that link is being added to the website very soon. It is essential that each Panhellenic woman does their part to grow our community and recommending Panhellenic's Primary Recruitment process to those you know and meet is the best way to do this!
- That's all from me, Pan Love and Mine Always!

  - How the process works, I felt like I was kept in the dark and felt like it was 100% my choice when it’s not.
  - To keep an open mind and take notes about how you feel going into and leaving each house.
  - That the mentality of “what you put into it is what you get out of it” is outdated – I think it’s more “what you get out of the experience depends on what you’re open to”.

- Hi Everyone!
- Thank you Zeta Tau Alpha for hosting this week!

- In response to last week's question, our sisters said they wish they were told to go into the whole process more open minded, especially when it comes to making new friends. Don't feel pressured to have that "aha" moment or as we say "why gamma phi" moment during recruitment because it doesn't happen for everyone, and don't think that when you run home on Bid Day that you have to feel like you instantly found your home, sometimes it takes longer for others to feel that sense of connection and inclusion that some feel during recruitment itself.
- That's all from me. I hope everyone has a great week!

### **Kappa Alpha Theta- Grace Golba**

- We are also excited for Pi Beta Phi's philanthropy event tomorrow and had lots of fun at Gamma Phi Beta's event this past weekend.
- We are super excited for our formal today at The Balcony in downtown Orlando.
- A piece of advice or something that helped me going into recruitment is to go in with an open mind and listen just as much as asking questions to make sure you get all of the information you can.
- That's it from me, hope you all have a great rest of your week!

### **Kappa Delta- Krista Kennedy**
