Vice President of Community Involvement- **Grace Schmorrow:** [ucfpaninvolvement@gmail.com](mailto:ucfpaninvolvement@gmail.com)

- There is another community service event this weekend which I am so excited for! The UCP of Central Florida is a cluster of nonprofit charter schools that empowers children with and without disabilities to achieve their potential. There are two shifts Friday and two shifts Saturday. Email me if you are interested in helping with their casino night!
- Alright y’all I heard you and I will be planning a pan wide event. However, I want y’all to help me choose what the event will be. The two options are a talent show or a picnic/tote bag painting event. I’m going to have you all put your heads down and raise your hands to vote. I really want you to think right now before voting. For the talent show, yes super fun and silly and goofy, but there isn’t as much opportunity to talk to people and do you think people will step up and sign up to be talents? For the picnic, again would y’all actually go and if you did, would you stay with your chapter or branch out and meet new people?
  - Talent Show - 6 voted
  - Picnic Tote Bag - majority vote (win)
- Last but not least, the halfway winner of the Supportive Sisterhood competition is... Kappa Delta with 85 points! Congrats ladies, I have cookies for y’all which I’ll get to you soon.

Vice President of Recruitment Guides- **Jess Losardo:** [ucfpanrecruitmentguides@gmail.com](mailto:ucfpanrecruitmentguides@gmail.com)

- My fellow rho gammas and I had the best time at retreat this past Sunday! We did the low ropes course element at the UCF RWC challenge course! It consisted of team-bonding activities facilitated by the RWC staff
  - Each activity had a deeper meaning to it and some of the overarching themes were to be okay with asking for help, to work as a team rather than individually, the importance of communicating, and why trusting one another is a key component in maintaining a successful relationship.
  - It was from 10-3pm and we got to enjoy the outdoors with one another while having a cutsie picnic together, sharing what we learned from each activity, and being open and honest with how we feel throughout the program so far
- On a sad note, we only have 3 more meetings left of the semester!!! The remaining meetings are during summer and will take place over zoom!
  - However, like Brooke said, only 145 more sleeps til UCF Day 1 and 2... and 138 days TIL SPIRIT WEEK
- Congratulations to Kali for putting on such an amazing Recruitment Informational Event! Everything went so smoothly thanks to you and I bet all of the potential new members are framing their passports in their rooms counting down the days til recruitment!

- Pan QOTW: What is something new either in Pan or within your chapter that you are excited to see over the next year?
