## **OFFICER REPORTS**

President- *Alli Calvert:* [pan@ucf.edu](mailto:pan@ucf.edu)

- Happy Wednesday everyone!
- I had so much fun at NPC Academy last weekend! I was able to connect with a lot of Panhellenic President's from around the country and talk about our goals.
  - We talked a lot about the future of DEI in our community and how to make our meetings more interactive.
- We are headed to AFLV tomorrow so please be aware that we may have slower response times as we will be in sessions all day.
  - I can't wait to bring back all the amazing lessons we learn and implement them in our community!
- Congratulations to Jess and all the new Rho Gammas! I can't wait to watch y'all lead our PNMs to their new homes!

Executive Vice President- *Caitlin Moore:* [ucfpanevp@gmail.com](mailto:ucfpanevp@gmail.com)

- Hello everyone!
- I attended the NPC Academy this past weekend with some other exec members! It was a great experience and I learned about some new resources for updating judicial stuff.
- I'm excited to be flying out to Indianapolis tomorrow for the AFLV Conference! I can't wait to learn even more about Pan and the Greek community and bring those ideas back to y'all :)
- Please continue to email me your philanthropy packets if you haven't already. My email is [ucfpanevp@gmail.com](mailto:ucfpanevp@gmail.com). I have to approve them before you distribute them to other chapters. I've approved all the ones I received so far.
  - Just so you're aware of what I review them for, I'm checking to make sure that they don't contain more than 4 expectations. Expectations are events (e.g. partial proceeds, carwashes, food events, donation drives, social media campaigns, competitions, and any additional task imposed on an organization.) (See Standing Rules, Philanthropy Restriction.)
    - Apparel, Registration Fees, Monetary Donation Campaigns, and Event ticket sales are not considered expectations.
- I have four proposed changes to the Bylaws and Recruitment Rules done so far and I'm working on the next steps in the amendment process as outlined in Article XIV (14) of the bylaws.
- A draft of the Judicial Board application has been made, I'll be able to send that out to y'all soon and start accepting applicants!

- The Judicial Board will help with all the violation hearings brought before Pan, help me amend the Bylaws and Recruitment Rules, and brainstorm ways to improve this community!
- That's all from me, have a wonderful week!

- RELATIONS! Very important to remember that Greek life extends from our community, but also in other councils as well. Let's show out and support the Diversified Greek Council (DGC) tonight! Meet the Greeks is their event being held at the Pegasus Ballroom at 7pm.
  - Attire: Wear your jerseys! Remember that you are representing Pan. Dress and act presentable and appropriate, and be supportive and respectful.
- That's all from me, PLAM!

Vice President of Community Involvement- **Grace Schmorrow:** [ucfpaninvolvement@gmail.com](mailto:ucfpaninvolvement@gmail.com)

- Hello everyone, happy February!
- Applications for the Rho Lambda Honors Society are closing soon and I really encourage that everyone eligible applies. For those of you that don't know Rho Lambda is an honors society for women in Greek life.
- My Community Involvement Committee applications will come out today, right after Pan. I'm going to send the application to the Pan Del Group Me, as well as the Philanthropy Chairs Group Me, and I will also [link](#) it in the minutes. This application will be open until Friday, February 11th, at 11:59 pm. I will be selecting one member from each chapter so please apply!
- I want to briefly explain the difference between this year's committee and last year's and what each position would do. This year, the committee members will have positions/focuses instead of all being general committee members.
  - The first position will help me organize and plan Circle of Sisterhood, which is our Pan Philanthropy. We have an event in the fall to raise money for women's education around the world.
  - The second position will help me organize and plan our monthly community service events.
  - The third position will be PR for the community service events and Circle of Sisterhood, as well as helping me create the Pan unity shirt for Circle of Sisterhood.
  - The last position on the committee will be general committee members that will be doing a wide range of things to help me. They will also help by being a liaison between Pan and the four other Greek councils regarding philanthropy events, community service events, and Circle of Sisterhood.
- That's all from me, have an amazing week!
