- A Note on Recruitment
 - As information becomes available, please know that the Exec Board is communicating with the appropriate officers whether that be the Recruitment Chairs, President, and Panhellenic Delegates. This is the first in person recruitment in 2 years so not only are we having to navigate this but also OFSL and UCF Admin. There has been a lot of staff turnover in these places since Recruitment 2019. Please, especially as we enter summer and we do not see each other as often, give us some grace. We try not to tell you information unless it is 100% as not to have to go back on our word. We promise everyone will have all the pertinent information they need in plenty of time to allow recruitment to run smoothly, it just may not be at the time you think you need it. We are here to support you, the chapters, throughout this process as well as ensure the PNMs have a great experience. This has been something we've been working towards all semester and will continue to do so.

Executive Vice President- *Caitlin Moore*: ucfpanevp@gmail.com

- Happy last Pan Wednesday of the semester everyone!

- The last round of proposals to change our governing documents was sent to our National Panhellenic Council Advisor and I resent them to her with the changes she suggested to the original proposal
 - Over summer, I'll be finalizing the revision of those along with all other necessary changes! We'll pick back up with revisions in the fall!
- Summer plans!
 - Continuing to educate the Pan community over summer...
 - I'll be recording videos of myself reviewing our governing documents
 - Light, easy, short, fun videos to help you all understand and connect with these rules! Each video will cover a few sections of the rules and some examples if applicable.
 - Furthermore, I am working on making a few one-pagers of the governing documents to help when you need to quickly reference things + to serve as a practical guide during primary recruitment.
 - I'll be collaborating with the AMAZING VP of PR, Amy!!!! <33
- The Judicial Board will be utilized for all these things as well
- A few weeks ago, I introduced my Bylaw Of The Week initiative. Each week, I will highlight one of our Panhellenic Bylaws or Recruitment Rules to increase awareness and education of our policies.
- **This week's BOTW comes from our Recruitment Rules, Section 3: Chapter. It states,**
 - "During Formal Recruitment, no chapter member may accept a gift from PNMs.
 - Any items given to PNMs during any recruitment party must be given in equal quantities
 - a.Potential New Members will only be allowed to leave a party with the items they have entered with, with the exception of water bottles.
 - 6. There will be no promising of bids or verbal bids either directly or indirectly by any active member, new member, new initiate, or alumnae of a chapter to a PNM."
- That's it from me, have a wonderful week!!! PLAM <3
- Take time to rest & recharge during finals! You got this!

Vice President of Internal Recruitment- **Brooke Campbell:** ucfpaninternal@gmail.com

- Happy last pan Wednesday of the semester!
- We had such a high number of applicants for the open Head Break Room Chair position open on Recruitment Team - and I would like to congratulate Cindy Fallon from Alpha Epsilon Phi for filling the position! I am so excited to get her caught up on what we have learned and to let her get started on the recruitment team tasks
- My last recruitment director meeting of the semester is Monday April 25th and the

presidents are also coming.

- We will be discussing what recruitment is going to look like so I can help prepare them, so they can prepare you.
- Recruitment Update:
 - After discussion with UCF throughout the duration of the semester, the approval of a fully in person recruitment (all 5 days) is on its final stage. UCF has asked for a little bit of an extension and asked us just yesterday for a little bit of extra information on scheduling. So I cannot make a confirmation at this very moment, but I will have a confirmed answer for you early next week. Thank you for your patience throughout the semester and keep a look out for an announcement later on from your recruitment directors!
- Lastly, since it is the last pan before recruitment, this is my message from me to you:
 - I want to start off with a big thank you! Thank you for trusting me in this position and for allowing me to show my passion for being a member of the panhellenic community, but also my passion for bringing girls into it. I put my all into everything I do in this role, so thank you for letting me do what I love. I want you guys to embrace this recruitment. Primary recruitment is an amazing way to connect with girls in your chapters and to talk about what your specific chapter means to you. We are all surrounded by personable and powerful women, and I cannot wait for you guys to show the Potential New Member's what Panhellenic is all about. Your recruitment directors are working so hard to provide for you guys, and I could not be anymore proud of them. Treat them with kindness and recognize they want to help you. I am also so proud of recruitment team for all of their work they have put in, and they are truly going to help this show go on. I wish you all the happiest, safest, and BEST recruitment ever! Have fun and meet your future littles and besties!
- Only 117 days until ucf day 1
- That is all from me, have a stunning week and recruitment

Vice President of External Recruitment- **Kali Rojas**: ucfpanexternalrecruitment@gmail.com

- Happy last PAN of the semester !!!
- Your weekly reminder to tell all your not-yet-Greek friends to register for recruitment !!!
 - I mentioned it a few PANs ago but if you refer someone to register for recruitment and they put your name in the "How did you find out about us?" section of the registration you'll be entered in a raffle for a prize come Fall semester !
 - The registration fee is right now the cheapest it will be all year ! It is currently \$130 and it will rise to \$150 on May 4th, 2022 .

- Share your stories and experiences in PAN with everyone you know, you never know what could be the tipping point of someone deciding to go through recruitment and you could make that happen for someone !!!
- I am putting together a brochure on different initiatives and activities that Panhellenic has going on so that summer tabling can be more about joining our community in all respects and not simply signing up for recruitment .
 - Special thanks to Nella, Grace, and Lexi for helping me put this together !
- I had a 1:1 with Dr. Viancca Williams yesterday and it was so helpful in affirming that my goals and activities are on the right track for the coming Summer and Fall semesters and her guidance is always appreciated !!!
- I'm meeting with my assistant, Caitlin, next week to solidify our plans for regularly communicating with registered Potential New Members for the summer to keep them engaged, informed, and excited leading up to recruitment .
- Super excited to attend Brooke's last Recruitment Director meeting of the semester . I have an exciting opportunity to share with the chapters about summer tabling so if you would like to help PAN promote recruitment this summer keep an ear out from news from your chapters !
- My schedule will be changing for the summer but I will be in office (Office of Fraternity and Sorority Life) regularly throughout the summer as well as available virtually for meeting with Potential New Members and their families to answer any questions about recruitment and Panhellenic . The link to schedule a Zoom meeting with me will be added to the "Recruitment" tab of the PAN website and it can be provided if they just email me to meet .
- Thank you so much for any amazing semester as your Vice President of External Recruitment, I am so proud of and thankful for everyone who has helped me and I am so excited to jump into this summer, have an amazing recruitment, and a spectacular Fall semester ! Remember, any woman you meet could be the future of Panhellenic so live and lead with your values this summer !!!
- Finally, remember to be mindful and loving towards yourself and your needs, find yourself through this recruitment season and use this time beforehand to really see what you need and can get out of it and Panhellenic .
- Pan Love and Mine Always !

Vice President of Risk Management- **Oriana Ravenna:** ucfpanrisk@gmail.com

- Happy last pan of the semester guys!
- Denim Day
- By a show of hands, who here knows what denim day is?
- Okay, well that's what i'm going to tell you about today
 - Denim Day happens on the last Wednesday of April which is also Sexual Assault Awareness Month.
 - This day of action and awareness is an event in which people are encouraged to wear denim to combat victim blaming and educate others about sexual violence.

- Also, The Director of diversity and inclusion from ADPI has shared some info with me from a safety workshop on how to stay safe on campus and how to be safe in a social setting:
- I wanted to highlight some things I think are important to know:
- How to be Safe on Campus
 - Know your resources.
 - Who should you contact if you or a friend needs help? Where should you go? Locate resources such as the campus health center, campus police station, and a local sexual assault service provider. Notice where emergency phones are located on campus, and put the campus security number into your cell phone for easy access.
 - Stay alert
 - When you're moving around on campus or in the surrounding neighborhood, be aware of your surroundings.
 - Be careful about posting your location.
 - Many social media sites, like snapchat or instagram as we know, use geolocation to share your location with others. Consider disabling this function or review who you allow to view your location
 - Think about Plan B
 - If your phone dies, do you have a few numbers memorized to get help?
 - Do you have the address to your dorm or college memorized?
 - If you drive, is there a spare key hidden, gas in your car, and a set of jumper cables?
 - Be secure
 - Lock your door and windows when you're asleep and when you leave the room.
- Safety in Social Settings:
 - Make a plan
 - If you're going to a party, go with people you trust. Agree to watch out for each other and plan to leave together. If your plans change, make sure to touch base with the other people in your group. Don't leave someone stranded in an unfamiliar or unsafe situation.
 - Protect your drink
 - Don't leave your drink unattended, and watch out for your friends' drinks if you can
 - It's okay to lie
 - If you want to exit a situation immediately and are concerned about frightening or upsetting someone, it's okay to lie. You are never obligated to remain in a situation that makes you feel uncomfortable, pressured, or threatened
 - You can also lie to help a friend leave a situation that you think may be dangerous. Some excuses you could use are needing to take care of another friend or family member, an urgent phone call, not feeling well, and having to be somewhere else by a certain time.
 - Be a good friend

- Trust your instincts. If you notice something that doesn't feel right, it probably isn't.
- With all this being said, we have some really cute denim scrunchies if you would like to grab one on the way out and you can wear them on April 27th to stand with all those who have been affected by sexual assault.
- Thank you guys for listening and have a great summer!

Vice President of Public Relations- **Amy Le:** ucfpanpr@gmail.com

- Really cool things that you all can be a part of – value based recruitment isn't about selling an idea that doesn't exist, but is a reflection of the great things this community has to offer. Your experience is valuable, a Potential New Member can be seen and be represented through you. Let us tell your story!

- Hello everyone, happy last pan of the semester!

- These chocolate bars have a QR code on them that links to a flier with information about Circle of Sisterhood and a venmo where people can donate to Circle of Sisterhood!
- This is not just for Greek life. So, tell your friends in and out of Greek Life that if they come to the Student Union and Library throughout next week they can get chocolate!
