## OFFICER REPORTS

President- *Alli Calvert*: [pan@ucf.edu](mailto:pan@ucf.edu)

- Shoutout to Carolina from KD!
  - I loved meeting with you yesterday
- Interactive Element
  - After each officer report and chapter report we will stop for questions so please feel free to ask. It doesn't just have to be Pan Dels
- Met with Dr. Kerry Welch, UCF Associate Vice President, Student Engagement & Leadership Development
  - Discussed goals and a future between Administration and Panhellenic
  - I was pleasantly surprised to hear we had a lot of the same goals and he even expanded on them so we have a bright future ahead of us
- Met with the President's Last Thursday
  - We talked about some ideas we have for the community and what goals we want to tackle together, specifically how we can make tailgating safer for sisters
- President's Academy is this Saturday so your chapter Presidents and I will be learning more about our positions and making Greek Connections.
- Apply to be a liaison! Applications are open!

Executive Vice President- *Caitlin Moore*: [ucfpanevp@gmail.com](mailto:ucfpanevp@gmail.com)

- J. Board applications are OPEN!!!
  - Thank you to everyone who's applied thus far!
  - Why should you apply?
    - Legal Studies, Poli Sci majors... (but open to everyone!)
 

This is a great opportunity for people in the legal studies department or studying political science to gain some relevant experience in the field. I personally am NOT one of those majors, I am a psychology major, so I do want to stress that it is open to everyone regardless of your studies, but it can complement those who are in the political/legal world already or those who plan on going to law school, like myself.
    - Judicial experience
 

If you have an interest in being Asst. EVP or EVP next year or you're trying to join Student Government, maybe the judicial branch, this is a good way to get some experience reading and

reviewing bylaws and rules as well as facilitating in judicial hearings if and when those arise.

- Time commitment

So I have also gotten questions about the time commitment that the J. Board requires. I don't foresee it being a large time commitment, there will be a mandatory training that we will plan with everyone's schedules and then beyond that, expect bi-weekly or monthly meetings.

- Bond with fellow Pan sisters

Perhaps most importantly, you get to meet and bond with other Pan sisters!

- Pan leadership!

It's also a great way to get some leadership in the Pan community, get your foot in the door and experience Pan first-hand.

- Finally, you are able to impact the community positively & implement changes that affect our recruitment.

- Email me with any questions at [ucfpanevp@gmail.com](mailto:ucfpanevp@gmail.com)

APPLY TO BE ON THE JUDICIAL BOARD!

- Shout-out to AEPHi's JPan, Kaylynn! I had so much fun at our shadowing

I hope you were able to learn a bit about what I do!

- Met with IFC's VP of Judicial, Matthew

Sent him our Standing Rule pertaining to philanthropy restrictions and packets

We spoke about how the EVP has traditionally approved all competition portions of IFC packets and how to continue doing so as well as the packet process from their end and what that currently looks like

This process isn't officially reflected in our bylaws, so that was part of the proposal I sent to Ashley with changing that and making it official so that it's clear and can be enforced properly.

Overall, it was a good and productive meeting!

- Approved more philanthropy packets, thanks for sending those in!
- Today I will send the Bylaw & Recruitment Rule proposed changes to Ashley, after that she will send them off to our NPC Area Advisor.
